### Old Business:

- Workplace and Truck Inspection completed by Cindy on September 30/10.
- Cindy is working on updating the MSDS sheets.

### New Business:

- Another driver was hired in the Container Division. Marissa to order a safety vest for him, and a hard hat was provided.
- We are preparing to challenge KBD's Carrier Data with CSA 2010 to have any infractions which were dismissed in court removed.
- Marissa is looking into booklets for both U.S. and Canadian Log Book Rules as per sample provided by RHI. These books are in simple terms and could be very beneficial.
